

User manual

Self-service machine for a ramen restaurant

To better use our software, we provide this user manual for both customers and staff in restaurant. Followings are the steps and instructions.

Home page

Entering the software, users will see the main page.

Order a meal

If you are a customer, you will click order-a-meal button. After choosing Ramen, you will be allowed to personalize your meal. Options listed on this page are all for free.

As you can see in the picture, if today is Thursday, all the choice will be half price.

Confirm

If you want to register the membership, you need to fill the table. The machine will print a ticket with the registration details when the registration complete.

Finally, the screen will show the total price and the option to pay via Cash/Card.

Management

If you are a staff, you will click management button to log in, the password has already been set as "2020". So you should input "2020" to manage the software.

You can choose to whether check the menu or view statistics.

Check the menu

The screen will show the menu information including meal name, meal price and meal status. You can click modify button to modify the information of menu.

The options are as follows.

The first screenshot shows the main menu with options: Staple food, Ingredients(Free), Ingredients(Charge), and Return.

The second screenshot shows the 'Ramen price has been changed!' screen. It displays 'Name: Roman', 'Now' price of 9.99, and an empty 'After' field. Buttons: Confirm, Return.

The third screenshot shows the 'Please select the menu that needs to be modified!' screen. It displays 'Name: soupTonkotsu', 'Now' status 'true', 'Change' status 'true', and an empty 'After' field. Buttons: Confirm, Return.

The fourth screenshot shows the 'Please select the menu that needs to be modified!' screen. It displays 'Name: Extra_Nori', 'Now' price of 0.5, 'Change' price of 0.5, and an empty 'After' field. Buttons: Confirm, Return.

View statics

The first screenshot shows the 'Here is all the sales situation!' screen. It displays a table of statistics for Soup and Noodle items. Buttons: State, Return.

Statistics	
Soup:	
Soup-Tonkotsu	0
Soup-Shoyu	0
Soup-Shio	0
Noodle:	
Noodle-Soup	0

The second screenshot shows the 'This is the sales report for last week!' screen. It displays 'Name: Noodles', 'Total sales: 0', 'Favorite: Firm', and 'Individual sales: 0'. Buttons: Confirm, Return.

It visualizes a report showing for each item on the menu how many times it

has been sold in the past week (Monday to Sunday). For the 'Spiciness' item, it shows the most popular level of spiciness chosen by the customers.
